Dear Mr. Lundall:

STAT
This letter is to express my deep appreciation for the hospitality extended to me by [redacted] and other key members of your staff during my visit to NPIC on Friday, 7 August 1970.

[redacted] were all particularly helpful. In addition to these men, everywhere I went within NPIC I found your work force extremely cooperative, highly motivated, and enthusiastic for their work. I picked up several thoughts that will be most useful to me in solving similar problems within the 544th ARTW. Toward that end, I would like in the near future to have two or three of my young officers visit your center, particularly for the purpose of looking at equipment and procedures which you use which might also be of value to us. I will ask them to contact [redacted] in making plans for these trips. STAT

I hope that when you have an opportunity to come to Omaha, you will find time to visit the 544th and allow me to reciprocate your hospitality.

STAT
Most sincerely,

[redacted]
Commander
